

What Color is Your Personality??

RED:

If your favorite color is **red**, you are action oriented with a deep need for using your five senses. You are emotional, exciting and athletic. You give your opinion whether others agree with you or not!

ORANGE:

If **orange** is your favorite color, you have a great need to be with people, to socialize with them, and be accepted and respected as part of a group. You also have a need for challenges in your life, whether it is physical or social challenges. You radiate warmth and inspire those you are with.

YELLOW:

Choosing **yellow** as your favorite means you are spirited, and cheerful. You are comedic and have strong opinions and can be stubborn. You live by high standards and give good advice.

GREEN:

If **green** is your favorite, you have a deep need to belong, to love and be loved, and to feel safe and secure. You are fresh, friendly and natural. The environment is important in your life and you like things simple. You are a loyal friend, sensitive, and affectionate.

BLUE:

Lovers of **blue** have a deep need to find inner peace and truth, to live their life according to their ideals and beliefs without having to change their inflexible viewpoint of life to satisfy others. You are trustworthy and loyal but expressing your emotions in a relationship is difficult for you.

PURPLE:

If purple is your favorite color, you are creative. You are an artist at heart. You can frequently be found daydreaming and prefer fantasy over reality. But you also find the need to help others.

Pink:

If your personality color is pink you have a deep need to be accepted and loved unconditionally. You may be some what sheltered and innocent. Words that describe you are shy, romantic and feminine.

TURQUOISE:

If **turquoise** is your favorite color you are sensitive and need loving care and adoration from others, but you are independent.

Showing emotion is difficult for you and others could perceive you as self-centered.

You have excellent taste and a mature outlook on life.

BROWN:

Lovers of **brown** have a deep need for a safe, secure, simple and comfortable existence with supportive family and friends. You are dependable. You are more likely to like the rugged outdoors and nature.

BLACK:

Lovers of black have a need for power and control in order to protect their own emotional insecurities. You are sophisticated, mysterious, and dramatic. A young child who chooses black may be depressed.

White:

If white is your personality color, your deepest need is for simplicity in your own life and to be independent and self-reliant so you do not need to depend on anyone else. You have a sense of innocence about you, which can sometimes make you appear cold.

GRAY:

With gray as your favorite color, you are the middle of the road type, cool, conserved, composed and reliable. You tend to conform just to keep the peace.
